

# ECO-EXPLORERS

*Before or after school nature club for nature adventurers*

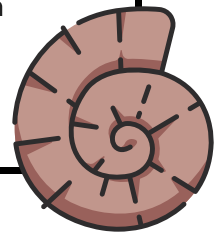

## WHAT IS ECO-EXPLORERS?

Does your child like science experiments, games, crafting, and meeting new animal friends? Then Irvine Nature Center's Eco-Explorers before and after school club is the place to be! Irvine's Environmental Educators foster fun, safe, and immersive interactions with nature right at your child's school. Children learn about the science behind our natural world while building a lasting connection to nature. We hope you can join us for our sessions this year:

## FANTASTIC FOSSILS - JACKSONVILLE ELEMENTARY

Become a paleontologist by learning how fossils form and what they can tell us about ancient life, like what dinosaurs ate and how they lived! Play dinosaur-themed games and do activities to learn more about trace fossils, geology, and the world of dinosaurs.
